RECOATING WEST INCORPORATED

Recoating West, Inc. (RWI) is a uniform locker manufacturing company that provides nationwide service to the industrial laundry industry. We pride ourselves on providing high quality, long lasting, lockers that are proudly manufactured right here in the United States of America. The skill of our metal-smiths ensure the highest quality products that are made to last. We offer a comprehensive locker reconditioning program in which our lockers can be reconditioned five or more times before needing to be replaced. We do this to not only be environmentally friendly by recycling products, but also to save you time and money by best utilizing your acquired assets.

With three locations spanning across the United States, we are able to respond quickly to satisfy your needs. Our fleet of trucks provide doorstep delivery of our lockers without damage. Our delivery service includes the proper placement of our products to ensure your customer's satisfaction, as well as the removal of any excess packaging.

We understand that the needs of your customer's can often vary greatly depending on their specific application, and have years of experience in building custom lockers and racks for these situations. Since we manufacture our lockers, we can offer you the flexibility to select the best configuration for your customer's specific needs. We have created products of all styles and sizes and will work directly with you to provide assistance for any custom project. Please feel free to call one of our experts today at (800) 252-6818 to discuss your needs with no cost or obligation.

We are proud of our experienced and dedicated staff that haven been providing service to the industrial laundry industry since 1982. Our entire team is devoted to providing you with high quality American made lockers accompanied by unparalleled service. We look forward to satisfying your needs.
